Challenge yourself and conquer the 1,776 steps of the CN Tower to support United Way's fight against local poverty.

A black and white halftone illustration of two runners, a man and a woman, seen from behind as they ascend a flight of stairs. The man is in the foreground, wearing a light-colored tank top and dark shorts, with his right leg pushing off. The woman is slightly behind him, wearing a dark tank top and light shorts. The stairs are represented by horizontal lines. The large red text 'STEP UP FOR A STRONGER COMMUNITY' is overlaid on the image.
